

The 2025 11th International Conference on Education and Training Technologies (ICETT 2025) will be held in **Macau, China** during **March 13-15, 2025**.

As a well-established annual event, the International Conference on Education and Training Technologies (ICETT) has maintained its legacy of fostering knowledge exchange and collaboration in the realm of education and training technologies. Commencing its journey with its inaugural edition held in China in 2014, ICETT has successfully orchestrated ten editions in diverse locations such as Singapore, Finland, South Korea, and more.

ICETT 2025 is organized by Macao Polytechnic University, China, co-organized by University of Macau, China, and technical supported by City University of Macau, China and Macau University of Science and Technology, China.

Official Website: www.icett.org  **Macau, China | April 13-15, 2025**
